

Define Broadloom Collection

Classify, Construe, Denote

A photograph of a classroom interior. Rows of wooden desks with black chairs are arranged in the room. The floor is covered with a dense, multi-colored patterned carpet. In the background, there are whiteboards and a computer monitor on a desk.

Warm, inviting and collaborative spaces
create welcoming interiors.

The Define Collection creates this
landscape by offering multiple design
aesthetics in carpet tile and broadloom, while
coordinating with other Aladdin Commercial
flooring products to complete the space.

Mohawk Industries, Inc. warrants its adhesives for the life of the original installation only when a Mohawk Industries style (product) is installed. Mohawk's floor preparation procedures must be followed to ensure that the substrate has been prepared properly. Failure to use Mohawk Industries adhesives or to follow Mohawk's floor preparation procedures will void all lifetime adhesive warranties. Please contact your local Sales Representative for installation guidelines.

Mohawk is providing this architect folder for the purpose of promoting our commercial business. Color may vary from dye lot to dye lot. Substitution of material may be made due to improved technology, supply limitations or other factors. The performance of this product is not affected by such variations. We recommend the use of chair pads on all commercial installations.
