

WalkOff Entryway System

Walked in soil and moisture are the main causes of premature wear and eventual replacement of flooring interiors. Effective placement of Aladdin's walkoff carpet tiles can reduce the amount of soil and moisture entering a facility by up to 91%. This means lowered maintenance costs and extended life for all floor coverings beyond the entry.

Performance Innovations:

Aladdin's walkoff carpet tiles are designed specifically to protect facilities against excess dirt and moisture, all while providing enhanced safety with a non-slip surface in high moisture areas.

- Aladdin's walkoff carpet tile engineering provides a Class I fire rating a key aspect when specifying carpet for retail and general public entryways.
- The use of heavy 'scraper' yarns provides for ideal soil removal and collection. Each square yard can hold up to 5.6 lbs. of sand. That's 2.4 times its normal weight.
- Aladdin's walkoff carpet tiles can be easily cleaned by vacuuming or extracting.
 You can also remove individual tiles for cleaning or to replace damaged areas.

Color Pop Tile

Solid color textured loop available in 48 colors in 24" x 24" square tiles and select colors in 12" x 36" planks. Install as a border, inset or accent tile. No more than two tiles of the same color wide and guarter turn only.

- Lifetime Static Warranty
- Lifetime Limited Colorfastness To Light Warranty
- 10 Year Limited Colorfastness To Atmospheric Contaminants Warranty
- 10 Year Limited Stain Resistance Warranty

UltraSet®

UltraSet is a premium vinyl carpet tile backing system containing a minimum of 50% recycled content. With over 20 years in the marketplace, its ultra dense construction is engineered to offer superior dimensional stability, high tuft bind that is resistant to edge ravel, and is impervious to moisture, while giving enhanced cushioning properties.

SUSTAINABILITY

- Minimum of 50% recycled content by total weight
- Contributes to LEED credits
- CRI Green Label Plus certified
- NSF/ANSI 140 Gold Certified

WARRANTY

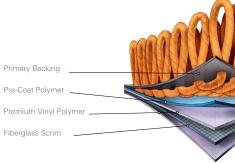

Limited Lifetime Edge Ravel, Zippering,
 Delamination and Dimensional Stability Warranty

PERFORMANCE

- Unsurpassed dimensional stability no growing or shrinking
- Constructed with an ultra dense five layer cushion backing system
- Carpet tiles are impervious to moisture damage from spills and water extraction cleaning
- Construction features superior tuft bind that is highly resistant to edge ravel
- Proven performance for over 20 years

INSTALLATION

- Direct glue down installation
- Floating installation using FlexLok Tabs

Mohawk Industries, Inc. warrants its adhesives for the life of the original installation only when a Mohawk Industries style (product) is installed. Mohawk's floor preparation procedures must be followed to ensure that the substrate has been prepared properly. Failure to use Mohawk Industries adhesives or to follow Mohawk's floor preparation procedures will void all lifetime adhesive warranties. Please contact your local Sales Representative for installation guidelines.

Mohawk is providing this architect folder for the purpose of promoting our commercial business. Color may vary from dye lot to dye lot. Substitution of material may be made due to improved technology, supply limitations or other factors. The performance of this product is not affected by such variations. We recommend the use of chair pads on all commercial installations.
