

# Rediscovery Colleton

Accede II Tile, Allocation II Tile, Design Medley II Tile

The **Rediscovery Collection** works incredibly with Aladdin's Design Medley II and Color Pop, providing inviting visual warmth, with the benefit of mergeable dyelot patterns. Six earthen influenced colorways that inject bold energy with accents that radiate and embrace the beauty of imperfections in nature. Allocation II reflects the raw linear veining and striations on weathered earth and rocks, while Accede II accentuates a raw fragmented geometric approach. Invigorate your workplace with unlimited applications using these products designed to perform for any commercial setting.

Grass Valley 4913

Create unique interiors with the mergeable carpet tiles of the **Rediscovery Collection**. Designed intentionally so no two installations are alike, these styles have a progression of color and pattern making each commercial project have its own distinctive style.

- Able to install tiles from multiple dye lots
- Minimize need to purchase large quantities of attic stock
- Easy replacement of tiles at any time
- Readily available for future renovation or expansion
- Random/Multi-Directional install method recommended for optimal Results

Design Medley II Tile 988, Brick Ashlar  
Walk All Over Tile 989

Walk All Over Tile

- Extends the life and appearance of interior floors.
- Traps excess moisture and dirt at the entrance.
- Enhanced safety against slip and falls.
- Decreased maintenance cost over time.

## WalkOff Entryway System

Walked in soil and moisture are the main causes of premature wear and eventual replacement of flooring interiors. Effective placement of Aladdin's walkoff carpet tiles can reduce the amount of soil and moisture entering a facility by up to 91%. This means lowered maintenance costs and extended life for all floor coverings beyond the entry.

### **Performance Innovations:**

Aladdin's walkoff carpet tiles are designed specifically to protect facilities against excess dirt and moisture, all while providing enhanced safety with a non-slip surface in high moisture areas.

- Aladdin's walkoff carpet tile engineering provides a Class I fire rating - a key aspect when specifying carpet for retail and general public entryways.
- The use of heavy 'scraper' yarns provides for ideal soil removal and collection. Each square yard can hold up to 5.6 lbs. of sand. That's 2.4 times its normal weight.
- Aladdin's walkoff carpet tiles can be easily cleaned by vacuuming or extracting. You can also remove individual tiles for cleaning or to replace damaged areas.

# Grass Valley Collection

Redefining the norm of mixing different materials and styles, Grass Valley offers 11 types of wood mixed with 3 stones. Created with deconstructivism in mind, this collection offers freedom of form and endless opportunities for unique artistic expression.

**Features:**

- 2.5 mm and 4.2 mm overall thickness
- 8" x 48" wood planks and 12" x 24" stone tiles
- 12 and 20 mil wear layer
- M-Force™ 1 Enhanced Urethane Finish
- FloorScore® Certified
- 10 Year Limited Commercial Warranty
- 25 Year Limited Residential Warranty
- Made in America

## SD NYLON

### PERFORMANCE & DESIGN

- Wide variety of colors for excellent design flexibility
- Unsurpassed colorfastness to light and to atmospheric contaminants
- Excellent durability and longevity of color
- Resistant to harsh cleaning agents
- Mohawk Protection Plus Soil & Stain Resistant Technology

### SUSTAINABILITY

- Contains an average of 40% pre-consumer recycled content
- CRI Green Label Plus® certified

### WARRANTY

- Lifetime Limited Wear Warranty
- Lifetime Static Warranty
- Lifetime Limited Colorfastness To Light Warranty
- 10 Year Limited Colorfastness To Atmospheric Contaminants Warranty
- 10 Year Limited Stain Resistance Warranty

## UltraSet®

UltraSet is a premium vinyl carpet tile backing system containing a minimum of 39% recycled content. With over 20 years in the marketplace, its ultra dense construction is engineered to offer superior dimensional stability, high tuft bind that is resistant to edge ravel, and is impervious to moisture, while giving enhanced cushioning properties.

### PERFORMANCE

- Unsurpassed dimensional stability - no growing or shrinking
- Constructed with an ultra dense five layer cushion backing system
- Carpet tiles are impervious to moisture damage from spills and water extraction cleaning
- Construction features superior tuft bind that is highly resistant to edge ravel
- Proven performance for over 20 years

### INSTALLATION

- Direct glue down installation
- Floating installation using FlexLok Tabs

### SUSTAINABILITY

- Minimum of 39% pre-consumer recycled content by total weight
- Contributes to LEED credits
- CRI Green Label Plus certified
- NSF/ANSI 140 Gold Certified

### WARRANTY

- Limited Lifetime Edge Ravel, Zippering, Delamination and Dimensional Stability Warranty

Installation Instructions:

Note: Multi-Directional Install method only approved for use with Design Medley II Tile

**Aladdin**<sup>™</sup>  
COMMERCIAL

Mohawk Industries, Inc. warrants its adhesives for the life of the original installation only when a Mohawk Industries style (product) is installed. Mohawk's floor preparation procedures must be followed to ensure that the substrate has been prepared properly. Failure to use Mohawk Industries adhesives or to follow Mohawk's floor preparation procedures will void all lifetime adhesive warranties. Please contact your local Sales Representative for installation guidelines.

Mohawk is providing this architect folder for the purpose of promoting our commercial business. Color may vary from dye lot to dye lot. Substitution of material may be made due to improved technology, supply limitations or other factors. The performance of this product is not affected by such variations. We recommend the use of chair pads on all commercial installations.
