

Teamwork Collection

A lesson in flexibility, resourcefulness and beauty

- No two tiles are alike, but work flawlessly together on your floor
- All installation methods available
- Diverting useful materials from the waste stream is good for the environment
- All styles are available in Quickship*

The styles in our Teamwork Collection were designed to celebrate the breadth of color available in today's carpet market while providing the customer with the simplest installation and flooring management possible. The patterns are composed of five of the most popular, neutral colors mixed in with a kaleidoscope of randomly chosen end-of-lot yarns. These multi-colored yarns are diverted from our excess yarn lots and given new life in strikingly beautiful carpet rather than being down-cycled into other industry products.

The beauty of these products is in the fact that the embedded pattern and the neutral color remain consistent while the accent colors change, making each tile unique. It is this subtle color variation that contributes to the ease of installation by eliminating concerns about matching dye lots and limited installation methods.

The Teamwork Collection is the perfect solution for those seeking to celebrate color in a subtle way as well as those who recognize the positive environmental impact that comes from redefining beautiful with repurposed yarn.

PERFORMANCE & DESIGN

- Wide variety of colors for excellent design flexibility
- Unsurpassed colorfastness to light and to atmospheric contaminants
- Excellent durability and longevity of color
- Resistant to harsh cleaning agents
- Mohawk Protection Plus Soil & Stain Resistant Technology

SUSTAINABILITY

- Contains an average of 25% pre-consumer recycled content
- CRI Green Label Plus® certified

WARRANTY

- Lifetime Limited Wear Warranty
- Lifetime Static Warranty
- Lifetime Limited Colorfastness To Light Warranty
- 10 Year Limited Colorfastness To Atmospheric Contaminants Warranty
- 10 Year Limited Stain Resistance Warranty

UltraSet®

UltraSet is a premium vinyl carpet tile backing system containing a minimum of 39% recycled content. With over 20 years in the marketplace, its ultra dense construction is engineered to offer superior dimensional stability, high tuft bind that is resistant to edge ravel, and is impervious to moisture, while giving enhanced cushioning properties.

PERFORMANCE

- Unsurpassed dimensional stability no growing or shrinking
- Constructed with an ultra dense five layer cushion backing system
- Carpet tiles are impervious to moisture damage from spills and water extraction cleaning
- Construction features superior tuft bind that is highly resistant to edge ravel
- Proven performance for over 20 years

WARRANTY

Limited Lifetime Edge Ravel, Zippering,
 Delamination and Dimensional Stability Warranty

SUSTAINABILITY

- Minimum of 39% pre-consumer recycle content by total weight
- Contributes to LEED credits
- CRI Green Label Plus certified
- NSF/ANSI 140 Gold Certified

INSTALLATION

- Direct glue down installation
- Floating installation using FlexLok Tabs

Styles are designed to celebrate the breadth of multi-colored yarn and are paired with a consistent neutral background. Each tile is uniquely colored of repurposed yarns and will vary due to the nature of the random yarns selected for the product; however, each work flawlessly together in a random, mergeable installation. Colors may vary from brochure and sample materials and may not be representative in actual production.

Mohawk Industries, Inc. warrants its adhesives for the life of the original installation only when a Mohawk Industries style (product) is installed. Mohawk's floor preparation procedures must be followed to ensure that the substrate has been prepared properly. Failure to use Mohawk Industries adhesives or to follow Mohawk's floor preparation procedures will void all lifetime adhesive warranties. Please contact your local Sales Representative for installation guidelines.

Mohawk is providing this architect folder for the purpose of promoting our commercial business. Color may vary from dye lot to dye lot. Substitution of material may be made due to improved technology, supply limitations or other factors. The performance of this product is not affected by such variations. We recommend the use of chair pads on all commercial installations.
