THE AGE OF ELEGANCE

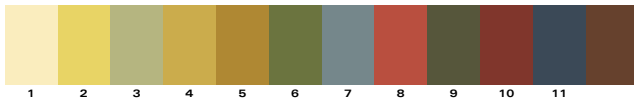

DURKAN
PATTERNED CARPET

S6680-MW89

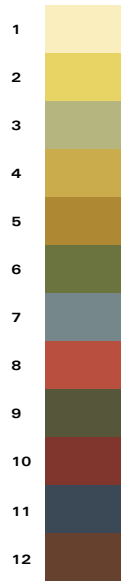

9'(L) X 6'(w) Four Door Rug

Both aesthetically rich and seeped in history, Grandeur recalls the intricate styles of the 18th Century by combining French ornamentation with neoclassical elements.

Florals, crests, and scrolls float upon contrasting backgrounds of stripes and delicate patterns.

Grandeur adds classical ornate beauty to any hotel, resort and casino setting with its nine broadloom patterns, four floating medallion patterns, four borders and a four-door entry rug.
