## ARIELLE Collection

By Virginia Langley

Inspired by a playfulness of pattern & texture, Arielle features a variety of styles & shapes to compliment modern & transitional settings. I wanted to portray a lightness & freshness with silhouetted lines that are layered with organic & geometric imagery. The textures flow from dark to light & light to dark, from neutrals to colors to create a mood that is soft & structured at the same time. Using freehand sketching & drawing techniques add to the harmony of abstracted contemporary design fashions & styles of modern living.
