# Mohawk Limited Lifetime Full Pet Stain Warranty

(SmartStrand® Forever Clean products)

## What Is Covered

Mohawk warrants that the surface pile of this carpet will resist stains from all domestic pets, including vomit, urine or feces, for the life of the carpet from the original date of installation. If above-mentioned stains are saturated and result in wicking, these stains will release with additional recleaning for the life of the carpet from the original date of installation. (Wicking is defined as a reappearance of previously cleaned stains due to liquid remaining in carpet backing or padding.) If permanent staining should occur that cannot be removed using recommended methods by a certified carpet-care professional, Mohawk will handle such claims as stated in the “Mohawk’s Limited Liability” section of the Mohawk Warranty Guide.

## What Is Not Covered

Specifically excluded from this warranty is damage or stains caused by any vomit, urine or feces other than from domestic pets. This warranty applies only to carpet manufactured with the specific above-mentioned fibers and not to any other product.

Pet urine can erode and destroy carpet backing, resulting in carpet delamination, which is not covered under this warranty. This warranty applies to stains only and does not cover odors.

See complete warranty details in the Mohawk Full Warranty Guide.
