# WHY SOLIDTECH?

There are plenty of good flooring options that look nice, perform well and offer value. SolidTech is not one of them. Because good isn't good enough when great is the better option. Mohawk's remarkable product has redefined hard surface flooring.

Its unprecedented technology, unparalleled design and uncompromising quality make SolidTech the premium choice for discerning, socially active, style-conscious consumers.

## PERFORMANCE THAT WILL SURPRISE

- ✓ SolidTech isn't water-resistant; **it's waterproof**. That means it doesn't allow liquid through, period. Perfect for mudrooms or basements.
- ✓ SolidTech even **withstands extreme temperatures** and won't fade, peel or cup due to UV exposure.
- ✓ SolidTech **doesn't telegraph** any imperfection of an underlying surface. It looks great no matter what.
- ✓ Rough and tumble kids. Rambunctious pets. SolidTech **withstands bumps, scuffs, scrapes and spills**.
- ✓ **Quick and flawless installations**, whether you DIY or have a professional do it.
- ✓ Remarkable engineering makes SolidTech **impervious to odors**. It won't absorb a trace of any liquid.

- ✓ Modern and smart with **beautiful colorways** and **sophisticated textures**.
- ✓ SolidTech has an unprecedented **low-frequency pattern repetition**.
- ✓ **Style that complements any room**, from kitchens to living rooms to mudrooms.
- ✓ SolidTech sets new standards for **aesthetics, taste and design**.
- ✓ The result? The most distinct, natural hard surface flooring **ever created**.
